

## Wedding & Event Expectations

The weddings and events hosted here at Boyden Farm are beautiful, exciting, and incredibly special occasions to celebrate with family and friends. The Boyden Events property managers and the other Vermont professional vendor teams work hard to provide the opportunity for joy and happiness at each celebration. We will be here to assist you throughout the event you have been invited to attend. Our mission is to ensure an enjoyable, memorable occasion. We will continue this mission and strive even higher during these times.

### Let's Celebrate Together – Here's what you can expect when in attendance:

By working together, taking self-responsibility and ensuring kindness, we can do our best to keep one another healthy and have a wonderful time.

- Unless restrictions for the state of Vermont are changed, face masks must be worn when you are up and about, any time that you are unable to socially distance yourself from others or you are indoors. If you need a face mask, please ask one of our team.

We look forward to greeting you and your guests upon arrival at Boyden Farm. All guests are welcome to attend if feeling well and have not had any exposure to COVID-19 prior to arrival. Our staff will confirm the guest list with your name and contact information for attendance.

If you have questions or need assistance at any time upon arrival or throughout the event, please reach out to us. We are happy to help.

- The flow of each wedding or event may vary due to the outlined schedule or the weather, however it is recommended that we enjoy being outdoors as much as possible.

At Boyden Farm, make yourself comfortable at the ceremony pavilion, the patio tent, and the large lawn area with fire pit for as much outdoor time as you wish. All areas are serviced by our property managers and vendor teams to assist you in any way during your time here. Please allow time to clear and clean areas as needed throughout the event prior to sharing spaces.

- Your face mask is on: whenever indoors or on the grounds where social distancing is not possible – this includes the restrooms, bar area, dance floor, dressing rooms, any and all indoor Barn shared guest spaces.
- There are **No** alcoholic beverages allowed in the parking field. There is a licensed bar service on site – no alcohol is permitted unless provided by the bar service.

We are excited to have you all here with us to celebrate although we realize that may not be possible for everyone. Here are some important reasons to politely decline attendance:

- You are not feeling well. You have had exposure to someone with COVID-19. You have tested positive for COVID-19. You are unable to comply with the social distancing protocol expected during the event. Find more information prior to arrival about up-to-date Vermont guidelines at [www.accd.vermont.gov](http://www.accd.vermont.gov)

We look forward to hosting each and every wonderful event at Boyden Farm. We appreciate your kindness, respect and assistance to provide a joyful, healthy, and fun celebration for all!

With gratitude,

*Lauri, Brian & Elisha*
